Guidelines

- Order form must be COMPLETELY filled out and placed inside the box.
- If the instrument is not safe for patient use, it will be returned unsharpened and no charge will be added.
- Price is charged per end.
- Shipping and handling charges will be applied to invoice.
- Applicable sales tax will be applied to invoice depending on your location.
- Instruments will be returned and a \$25.00 fee will apply if instruments are not sterilized properly.
- Renewed Edge Sharpening is not responsible for broken instruments that are not packaged properly or instruments that are worn thin or broken upon arrival.
